Deal Sikes makes strategic move to 100 Waugh Drive

HOUSTON, TEXAS, Monday, November 15, 2010 — Since its inception in March 2009, Deal Sikes & Associates's headquarters has been just west of the Texas Medical Center. In November 2010, the company moved into 100 Waugh Drive, closer to its downtown client base.

Says co-owner, Mark O. Sikes, "This strategic move not only brings us closer to the Central Business District, it also alleviates the firm's space requirements after our rapid first year expansion."

The building is anchored by the Lionstone Group, a privately owned real estate investment firm.
